Bulk Enterprise Agreement Drafting Update

Dear Members,

The AFULE were successful in having members of your workplace bargaining team join AFULE Industrial Officer, Mel Brewer and myself, to go through the EA draft that the company had supplied after the last round of bargaining.

This Monday and Tuesday we met in Townsville to complete the union review and continue the process of finalising your new EA. We will now be sending our review to the company for final comments before it is released to Traincrew to view and then vote on.

This has been a long process however, we are nearing the stage that the document will be in your hands for perusal.

I will ensure to keep you updated as information on your new EA comes to hand.

For more information please contact your state office on 3844 9163 or statesecretary@afule.org.au

In Solidarity,

Michael McKitrick
State Secretary
