## AFULE Issues Dispute Notice Regarding Bulk Master Rosters

Dear members,

Yesterday we issued a notice of dispute to the Hughenden ROL regarding your proposed master rosters. Today we notified a Stuart ROL of the same dispute.

This dispute has been lodged due to the fact that the company have not re-convened your local roster committee in an attempt to address objections raised by local Traincrew.

As a result of the dispute being issued, the proposed master roster **cannot** be implemented until such time as the dispute is resolved or we have a conciliation meeting at the Fair Work Commission.

The company must remain rostering you according to your current master roster.

We will keep you updated on the response to our dispute issued today and what future steps are to be taken by the AFULE.

Please contact your local rep or state office on 3844 9163 or [statesecretary@afule.org.au](mailto:statesecretary@afule.org.au) if you would like further information.

In Solidarity,

Michael McKittrick  
State Secretary
