Clarification of ETU Health Plan with R&T Health

Dear members,

Recently I put out a communique about some of the benefits that will flow from the amalgamation between the AFULEQUE and the ETQ. Following the yes vote, the amalgamation will be formerly ratified by the QIRC in early May.

In communique I stated that members would be entitled to a discount from R&T Health. I would like to clarify what the deal with the R&T health plan with the ETU is.

The deal between the ETU and R&T is as follows;

As a Member of the AFULE Division of the ETU, when you join the ETU R&T Health Plan, you'll enjoy:

- \$100 petrol or grocery voucher (your choice), just to say thanks for coming on board*!
- An immediate waiver of all 2 and 3-month waiting periods.
- One month free cover when you've been with us for six months.
- Special healthy dollars savings program when you've been with us for two years!

This deal will apply when the amalgamation is formally ratified by the QIRC and will be available even if you are already a member of R&T Health fund.

I will put out a further communique how to apply for the deal once the amalgamation is formalized.

If you require any further information, please contact 3257 1151 or statesecretary@afule.org.au

Yours fraternally
