VALE BART NELSON

Dear Members,

It is with a heavy heart that we pay tribute to our comrade, Tony (Bart) Nelson, who lost his fight with cancer last night.

Bart was a long-time member of the AFULE before he joined the ranks of management. He never lost his sympathy with the worker and over the years, in his kind and compassionate way, he helped many of our members through hard times. We last heard from him on Sunday when he let us know he was staying strong. We send our sympathy to his family, friends and co-workers and hope his strength will carry them through this terrible time.

We take comfort that he is now at peace.

Vale Bart and thank you.

In Solidarity,
