Pacific National Intermodal Bargaining

Dear Traincrew,

Bargaining for your new Enterprise Agreement will be commencing soon. The AFULE will be at the table raising issues and pursuing improvements for their membership during bargaining.

The Pacific National QLD Coal Agreement is in the final stages of drafting and we are excited to release what we believe to be an agreement with many conditional and wording improvements for our coal members.

The next agreement is Intermodal and we intend to vigorously chase improvements for freight traincrew also. We are interested in what you have to say and what changes you would like to see in your workplace. I encourage you to contact your state office to discuss.

If you are not a member, joining is easy. Call or email our office and we will get you on board.

Please contact us either by email at statesecretary@afule.org.au or telephone on **3844 9163** if you have any queries.

In solidarity,

Mick McKitrick
AFULE State Organiser
