Pacific National Coal EA Roadshows

Dear Traincrew,

The AFULE and Pacific National (PN) have been in negotiations for close to a year to achieve a new Enterprise Agreement (EA) for our membership.

We now have an agreement in principle with the company that includes no traincrew having reduced conditions, a wage increase of 2% per year conditional improvements.

The AFULE believe this is a fair outcome based on the current industrial climate and are encouraging members to vote YES to the proposal.

PN informed your state office late last Friday that "roadshows" to highlight changes to traincrew would commence this week.

Your state organiser, Mick McKitrick, who was at the bargaining table for the entirety of bargaining will be at your depot to attend the roadshows and also field your questions.

Mick will be at the Bowen depot today, Monday the 9th from 1100hrs, Coppabella depot Tuesday 10th from 1000hrs and Sarina depot Wednesday the 11th from 1300hrs.

Due to the late notice from the company, Mick cannot attend the Gracemere roadshow. Members with queries are encouraged to call Mick directly on 0409 281 000 to discuss the negotiations and improvements achieved.

The 2018 PN QLD Coal agreement sees improvements for all members and I wish to take this opportunity to thank our AFULE member bargaining rep, Fay Waters for her insight and assistance throughout this process.

Please contact us on statesecretary@afule.org.au or 3844 9163 if you would like further information.

Yours fraternally

Greg Smith
State Secretary
