## Pacific National Intermodal Enterprise Bargaining

Dear Traincrew,

The AFULE and Pacific National (PN) have been in negotiations with PN to achieve a new Enterprise Agreement (EA) for our membership.

We now have an agreement in principle with the company that includes no traincrew having reduced conditions, a wage increase of 2% per year with conditional improvements including a reduction in lift ups, Christmas day attracting a penalty of 170%, the introduction of depot workplace forums with elected workplace reps to meet with company managers quarterly, a payment for medicals, back pay to expiry and other clause implementations or changes that ensure the intent of the current EA cannot be misread.

More details will come to light in the coming weeks as we expect the company to take this proposal to a vote in the near future.

Your organiser, Mick McKitrick was at the bargaining table for these negotiations, please contact him directly on 0409 281 000 if you would like to discuss in detail what has transpired at the negotiating table.

Please contact us on [statesecretary@afule.org.au](mailto:statesecretary@afule.org.au) or 3844 9163 if you would like further information.

Yours fraternally

Greg Smith  
State Secretary
