Pacific National Crew Van Proposal

Dear Members,

Last week, PN Coal announced the proposed procurement of crew vans for workings in the Coal South system.

Members have raised their concerns with what is being proposed and I will be travelling to Mackay on Thursday morning to meet directly with Mark Flanagan to discuss the company's proposal and what implications this would have on members of Traincrew.

I urge members to provide feedback or issues you would like me to raise with the company by 2000hrs tomorrow (Wednesday) via return email or by speaking directly with Gracemere AFULE rep, John Looten.

I will be sure to update members on the outcomes of Thursday's discussions.

For more information please contact your state office on 3844 9163 or statesecretary@afule.org.au

In Solidarity,

Michael McKittrick
State Secretary
