PN Coal EA Vote Outcome

Dear members,

Today Pacific National Coal notified the AFULE that a majority of PN Coal Traincrew have voted **YES** to the proposed PN Coal 2022 Enterprise Agreement.

As notified per PN internal communications, 91.3% of eligible employees casted a valid vote, and of the employees that voted, 67% voted yes to approve the agreement.

The agreement will now go to the Fair Work Commission (FWC) for approval. After FWC approval the new Pacific National Queensland Coal Enterprise Agreement 2022 will commence in the full pay period 7 days after.

You will have a first year 2% pay rise, back paid to 01 August 2022. This is in addition to the 2% already received at expiry in November 2021.

If you have any questions, please contact your state office on 3844 9163, email traincrew@afule.org.au or contact your local AFULE representative.

In Solidarity,

Mick McKittrick,
State Secretary

Traincrew representing Traincrew
