QR Changed Job Cards

Dear Members,

You will know by now that QR have optimised some of Friday's job cards. I want to advise you this decision and the changes were made without full consultation with the AFULE and without our collective's agreement.

I have let QR management know that this may cause anger and resentment among Traincrew, who have for many, many months now been working extremely hard to ensure the trains keep running.

I have not commenced a dispute on this occasion however, should the company act in this manner again I will have no option but to do so. If you experience any negative ramifications before or after Friday arising from the job card changes get in touch with your AFULE rep.

For more information please contact your state office on 3844 9163 or statesecretary@afule.org.au

In Solidarity,

Michael McKitrick
