Queensland Rail EA Meeting

Dear members,

Next Tuesday the 28/4/2020, members of the AFULE State Office are meeting with Queensland Rail representatives for the initial Traincrew Enterprise Agreement 2020 meeting. The purpose of this meeting is to set up the ground rules for bargaining going forward and how negotiations will take place whilst still dealing with COVID 19 social distancing restrictions.

The AFULE had commenced member meetings and compiling a log of claims for the upcoming bargaining late last year and early this year. Once COVID 19 gathering restrictions are relaxed, further Citytrain meetings will be held and a Regional Traveltrain tour will take place to gain feedback and ideas from members to finalise our log of claims.

I will be sure to keep you updated as further details of 2020 EA bargaining details come to hand.

If you have any issues or concerns you would like to raise with AFULE please email these to statesecretary@afule.org.au or call your State Office on 3844 9163.

In Solidarity,

Mick McKittrick,
State Secretary

Traincrew representing Traincrew
