## Queensland Rail Enterprise Agreement Update

Dear members,

Queensland Rail Enterprise Agreement discussions commenced this week. The AFULE bargaining team and the company started the week by dissecting the current agreement and establishing what works, what needs work and what requires an overhaul.

Discussions then changed to specific rostering clauses for both Citytrain and Regional and the allocation and availability of leave.

It is early days yet, however, now that it seems the threat of a COVID crisis has passed within Queensland, it is reassuring to know that discussions have commenced to achieve a new Enterprise Agreement for Traincrew.

Your bargaining team is meeting with the company again next week and I will be sure to keep members updated as the talks continue

Please contact your local AFULE rep, Divisional Councillor or State Office on 3844 9163 or [statesecretary@afule.org.au](mailto:statesecretary@afule.org.au) if you would like further information.

In Solidarity,
