## Queensland Rail Enterprise Agreement Document

Dear members,

Earlier this week I reported to you that we had reached an Agreement in Principle with Queensland Rail for the proposed 2020 Traincrew Enterprise Agreement. That circular can be found [here](#).

We have now formally been provided with the proposed Enterprise Agreement. You can find a copy of the proposal [here](#).

Commencing next week are roadshows at depots to take Traincrew through the proposed EA. An AFULE bargaining representative will be at each session to answer any questions that you may have. The roadshow timetable is as followed;
