Queensland Rail Members Vote YES!

Dear members,

This is just a quick note to advise you that this afternoon we received the results of your Protected Action Ballot from the Australian Electoral Commission.

In a great outcome, an overwhelming majority of ballots were returned, and all forms of Protected Industrial Actions were approved with in excess of 95% of each action recorded as a **YES** vote. As a result, we now have all 14 actions protected and available for use if necessary.

Congratulations for showing QR that you are willing to stand up and be counted!

Queensland Rail management, the message is clear. Your workforce is ready and need to be listened to. The ball is in your court!

From here, we will be in discussions with your workplace representatives as to the next steps. We also have scheduled meetings with QR next Thursday and Friday at Fair Work Australia. No doubt the outcomes of next weeks sessions will be imperative.

Again, congratulations on a great ballot return. I will be sure to keep you updated on our next moves over the following week.

If you would like more information, please contact your local AFULE representative or your state office on 3844 9163 or traincrew@afule.org.au
