## North West Corridor Overtime Update

Dear members,

As mentioned earlier, the underpayment for overtime on the North West Corridor has been resolved.

The figures for Hughenden have been calculated and work will begin on calculating the figures for Mt Isa, Cloncurry and a small handful who used to fall under the North West Corridor conditions in Townsville.

Those who have been made redundant and have separated from Aurizon will be paid out shortly. However, those who remain in Aurizon will not be eligible for a payout until the calculations for the outstanding depots have been completed.

Everyone who is to receive a payout will be required to enter into a deed- which has been checked and approved by both the AFULE and the RTBU.

The calculations for the outstanding depots will take some weeks to complete but we are prioritising this work to ensure that it gets done as quickly as possible.

If you require any further information, please contact 3257 1151 or [statesecretary@afule.org.au](mailto:statesecretary@afule.org.au)

Yours fraternally
