BMA Enterprise Agreement

Dear members,

The BMA Traincrew negotiations are set to begin in early 2017. We ask all members to consider your current agreement and approach your state office with suggestions or inclusions you would like to see in your upcoming enterprise agreement.

We will also be seeking traincrew representatives to be at the negotiating table with your state representative for these discussions. If you wish to be involved or know somebody that would like to be, please nominate your interest through your state office.

The AFULE is also undertaking delegate and activist training in the early part of 2017 across the state, please contact your state office if you would like to attend and we will organise union leave for you through your relevant manager.

If you require any further information, please contact 3257 1151 or statesecretary@afule.org.au

Yours fraternally
