Welcome Carla Jones to the AFULE!

Dear members,

Today we are announcing the recruitment of Carla Jones as your full time Industrial Officer of the AFULE!

Carla has more than 16 years' experience in Industrial Law and has spent the past 11 years as the RTBU QLD lead Industrial Officer, thus bringing a vast wealth of rail knowledge and experience to the AFULE membership.

Carla also comes to the AFULE with an Industrial Law Degree, a Certificate IV in Workplace Health and Safety and a proven record of fierce advocacy and negotiating expertise.

These skills will complement and enhance the work being undertaken by your State Office staff and Senior Officials as we continue to forge ahead as the lead Traincrew union and the union that management both fear and respect.

Carla will commence at your State Office on Monday 19 June 2023 and can be contacted on 3844 9163 or via carla@afule.org.au

I ask you to join me in welcoming Carla to your AFULE State Office!

If you would like more information, please contact your local AFULE representative or your state office on 3844 9163 or traincrew@afule.org.au

In Solidarity,

Mick McKittrick,
State Secretary
