Stand-alone Summer Timetable Payments and End of Cycle Payments

Dear members,

There has been some issues with the last two pay periods in regard to stand-alone payments in connection with altered working from the 58 hour roster and excess hours cycle payments.

There has been some issues with payroll in determining where the hours belong, whether it be in the pre 58 hour payments or the post 58 hour credit to cycle time.

I have been in touch with QR management and these issues are being addressed and work is in progress to have this rectified and payments made by next week.

If you require any further information, please contact 3257 1151 or statesecretary@afule.org.au

Yours fraternally
