## Townsville & Bundaberg Consultation

Dear Traincrew,

Queensland Rail have announced that consultation is taking place for a proposed change to both Townsville and Bundaberg traincrew workings. The proposed changes include extended laying over and travelling spare for Townsville crew. QR are also proposing to alter Bundaberg's current working arrangements, ultimately reducing layover time and the removal of rostered air travel shifts.

Traincrew consultation ends at 1600 this Friday the 2<sup>nd</sup> of February. Local depot reps and a member of your state office will then meet with the company to discuss the proposal and feedback given.

All members have been sent the consultation details via Manager Regional TSD Operations; Glen Duncan. We ask that if you have concerns, questions or alternative options to leave written feedback with Glen or your state office.

If you have any questions, please contact our office on 07 3844 9163, email [statesecretary@afule.org.au](mailto:statesecretary@afule.org.au) or find us on Facebook.

Yours fraternally

Greg Smith  
State Secretary
