Two Meal Update

Dear Members,

The AFULE along with the RTBU met with the Minister of Transport to discuss the dispute about the provision of two meals contained in the TCA. The CEO of Queensland Rail as well as their IR and Roster Representative were in attendance as well.

As a result of the meeting with the Minister, a further meeting of the two meal implementation committee took place on Tuesday 10 April 2018. The meeting seemed to be a more productive meeting with the parties seemingly being to make some headway.

The 28 May date set down for the introduction of the meals in the Memorandum of Understanding will be unachievable at this time. It is hoped to lock down a firm and realistic date for the introduction of the meals next week.

The AFULE will be seeking compensation for Traincrew for again missing out on their entitlement under the TCA.

On another note, Queensland Rail have confirmed that payroll should be in a position to pay Traincrew the \$1,250.00 Commonwealth Games incentive bonus next week. The 225% loading on BLP's and weekend penalties concludes after Sunday 29 April 2018.

Yours fraternally
