## AFULE V QR - Regional Traincrew Workings

Dear Traincrew,

As you would be aware, The AFULE has been in dispute with Queensland Rail for some time now regarding the proposed changes to Townsville and Bundaberg workings.

The AFULE and QR have not been successful in achieving an outcome that appeases both parties nor conform with our interpretation of the 2017 Enterprise Agreement.

Today we officially lodged an assistance to deal with disputation notice to the Fair Work Commission. Although we have not received an official date for the first listing of this matter, we expect it to be some time at the end of May.

I will keep you all updated as more information comes to hand.

Please contact us either by email at [statesecretary@afule.org.au](mailto:statesecretary@afule.org.au) or telephone on **3844 9163**.

Yours fraternally

Greg Smith  
State Secretary
