Queensland Rail Upcoming Trainee Schools

Dear members,

This week your representatives met with Queensland Rail to discuss and agree on the pathway forward for the next crop of Citytrain Trainee Guards and Trainee Drivers in preparation for the commencement of Cross River Rail.

Firstly, it was agreed that Mayne depot transfers will be advertised in the very near future providing the opportunity for out depot and regional Traincrew to transfer into Mayne.

A trainee Guard school is set to commence on August 22 and is to be followed by repeated schools through until early/ mid 2025.

Trainee Driver positions will be called in the coming months with the first school programmed for January 2023. After the completion of this school, repeated trainee Driver schools are programmed through until early/ mid 2025.

In the coming weeks, QR will be advertising internally for Trainee Guard & Trainee Driver positions roles to participate in the planned upcoming schools. Interested members are encouraged to check the portal, your work emails or remain in contact with your AFULE representative for updates on roles being advertised.

As we continue to meet with QR, we will provide updated details.

If you would like more information, please contact your local AFULE representative or your state office on 3844 9163 or traincrew@afule.org.au
