## Aurizon Coal - Call for AFULE Enterprise Agreement Claims

Dear Traincrew,

It has come to that time when we turn our minds to the upcoming Aurizon Coal bargaining for your next Enterprise Agreement.

An initial meeting has been booked for senior officials from the AFULE, the ETU, the RTBU and the AMWU to meet with Aurizon management on Wednesday 23 June to discuss the bargaining program – dates, times, locations etc. With a view to commence actual bargaining in early August 2022.

For the last three years the AFULE have been compiling a document of issues and claims to be raised at these upcoming bargaining meetings.

As we are now in the process of formalising our log of claims, we are asking members to email their log items to [traincrew@afule.org.au](mailto:traincrew@afule.org.au) by 1700hrs Monday 13 June 2022.

From here we will collate all log items, to then commence member surveys and depot visits to establish priority claims.

If you have any questions, please contact your state office on 3844 9163, email [traincrew@afule.org.au](mailto:traincrew@afule.org.au) or contact your local AFULE representative.

In Solidarity,

Mick McKittrick,  
State Secretary
