Long End Leading Ban

Dear members,

In response to the incident at Westwood on Friday, I in conjunction with senior AFULE officials have today made the decision today to ban all Long End Leading (LEL) mainline movements throughout Queensland until further notice.

This afternoon I have spoken or attempted to speak with senior managers of most rail operators and have also spoken to the State Secretary of the RTBU - Peter Allen, who supports our position on this issue.

Members directed to engage in mainline Long End Leading operations are advised to refuse the request and contact their AFULE State Officials immediately.

If you have any questions, please contact your state office on 3844 9163, email statesecretary@afule.org.au find us on Facebook or contact your local AFULE representative.

In Solidarity,

Mick McKitrick,
State Secretary
