One Rail – EA Vote Outcome

Dear Members,

We have been advised that One Rail Traincrew have returned an **87% YES** vote for the proposed *One Rail Australia Central Queensland Coal Operations Enterprise Agreement 2023*.

From here, One Rail management and the AFULE will complete the required paperwork for Fair Work Australia to certify the new Enterprise Agreement. This may take up to six weeks to go through Fair Work, however backpay to November 2023 has been negotiated to be paid upon certification and the new lifestyle roster has commenced.

I again wish to thank the One Rail Traincrew bargaining team, especially AFULE representative – Jay Carter. Jay's commitment and hard work was instrumental in negotiating the substantial financial and work/life balance conditional uplifts secured for all One Rail QLD Traincrew.

If you have any questions or you would like more details on the above, please contact your state office on 3844 9163, email traincrew@afule.org.au or contact your local AFULE representative.

In Solidarity,

Mick McKittrick,
State Secretary
