## Pacific National Coal EA Bargaining Survey

Dear members,

Over the last few months, we have been collating your log of claims items for the upcoming Pacific National Coal Enterprise Bargaining.

As a result of your feedback, we have designed a short member survey to provide your bargaining team with more details of what is widely and deeply felt across the Pacific National AFULE membership.

The survey does not cover all of the claim items we have received which have been placed onto our log, there is also the ability to add comments throughout the survey and notify us of additional items you would like to see discussed at the table.

A link to the survey can be found [here](#)

**If you have workmates that have been considering joining a union but have not yet done so, now is the time to ask them to join the AFULE. Membership forms can be found [here](#).**

The AFULE is ready to stand up for our members at bargaining and are committed to achieving real work/ life improvements for Pacific National Traincrew.

If you have any questions, please contact your state office on 3844 9163, email [statesecretary@afule.org.au](mailto:statesecretary@afule.org.au) or contact your local AFULE representative.

In Solidarity,

Mick McKittrick,  
State Secretary
