Citytrain Transfer Seniority Points

Dear members,

This week Citytrain Traincrew commenced receiving letters outlining what the company believed to be your personal transfer seniority points. The AFULE supports the initiative as for too many years there have been conflicting views on where Traincrew sit on the seniority ladder. It is the intent that by contacting each member of Traincrew individually and allowing individuals to challenge the company's record, that an accurate seniority list will be visible, allowing transfers to go ahead in a smoother fashion.

However, we have received numerous complaints relating to these letters, we have raised these concerns with senior Queensland Rail management and a meeting is being convened to discuss what we believe are some glaring errors, most notably relating to the interpretation of "time in relevant grade".

I ask that members please check your personal letters and inform your state office via statesecretary@afule.org.au if you have any concerns with the content.

If you would like more information, please contact your local AFULE representative or your state office on 3844 9163 or statesecretary@afule.org.au

In Solidarity,

Mick McKittrick,
State Secretary

Traincrew representing Traincrew
